

The 8th WACBE World Congress on Bioengineering
第八屆世界華人生物醫學工程大會

15 March 2017

Dear

RE: Invitation to 8th WACBE World Congress on Bioengineering

On behalf of the organizing committee, I am pleased to invite you to attend the 8th WACBE World Congress on Bioengineering (WACBE2017), which will be held in Hong Kong, from 30 July to 2 Aug 2017.

The Congress is organized by the World Association for Chinese Biomedical Engineers, and aims to bring together many biomedical engineers from over the world to share their experiences and views on the future development of biomedical engineering. We would be delighted to have you present at this conference and hear what leading scientists have to share about the impact on this field.

As a non-profit organization, we could neither support the travel expenses nor waive the registration fee. Participants are expected to cover their own expenses.

Please note that the early bird rate payment should be done before 30 April 2017. More details on the congress are available on <https://wacbe2017.org>.

We look forward to seeing you at WACBE2017.

Respectfully Yours,

Ming Zhang, PhD
Congress Chair
Professor of Biomedical Engineering
The Hong Kong Polytechnic University
